Description: With warm pastel colors and lift-the-flap fun, Little Friends introduces babies and toddlers to a wide variety of animals and their habitats. - Seira Wilson, Amazon EditorCurious young readers will love to take a journey with Baby Owl as she flies far and wide over the forest and the river, the farm and the mountains, then back to her nest, in this...

Review: Little owl journies far and wide but ends up at home where she's happiest. The animals are cute and there are four different landscapes with different animals to look at and each landscape has one big fold-out page to look at. The rhymes aren't stellar but we talk about the animals more anyway....
